Navi Mumbai, India

EDUCATION

B.E in Computer Engineering
MGM College of Engineering and Technology, Kamothe

Higher Secondary Education(HSC)
P. E. Society's English Medium High School & Jr. College , Thane

Senior Secondary Education(SSC)
St. Xavier's High School, Navi Mumbai

INTERNSHIP / EXTRA CURRICULAR ACTIVITIES

Tata Data Visualisation: Empowering Business with Effective Insights Job Simulation on Forage - July 2024

- Completed a simulation involving creating data visualizations for Tata Consultancy Services.
- Prepared questions for a meeting with client senior leadership.
- Created visuals for data analysis to help executives with effective decision making.

PROJECTS

Housing Price Prediction

Developed a real estate price prediction website utilizing machine learning algorithms, and deployed it on AWS EC2 for scalable, real-time property value forecasting. Ensured robust performance and user-friendly interaction.

Key Achievements:

- Built and deployed a machine learning model with high accuracy.
- Created a user-friendly web interface for predictions.
- Successfully deployed the application on **AWS** EC2, gaining hands-on experience with cloud services.
- Gained experience in cloud deployment.
- Tools: Jupyter Notebook, VS code, PyCharm, sklearn.

Fingerprint-Based Bike Security System

Developed a bike security system using Arduino, fingerprint sensor, LED display, and GSM module to enhance security and provide SMS alerts.

Key Achievements:

- Implemented a fingerprint-based authentication system for enhanced bike security.
- Integrated an LED display for real-time status updates.
- Utilized a GSM module to send real-time SMS alerts for unauthorized access.
- Developed a user-friendly interface to improve overall security measures.
- Tools: Fingerprint Sensor(R307), Ardiuno IDE, GSM Module, Ardiuno Programming

KEY COMPETENCIES

Machine Learning, AWS Fundamentals, Python, Data Structures and Algorithm, Data Cleaning and Preprocessing, Data Visualization, Deep Learning.

.

Soft Skills - Problem-Solving, Decision-making, Teamwork, Communication, Time Management, Agile.
